

## Black

### Double espresso 5

For lovers of strong coffee. Dense taste with medium acidity and high sweetness. Volume: 50ml.

### Americano 5 / 7

Espresso and water. American style black coffee from Italy.

### Romano 6 / 8

Black coffee and lemon. For connoisseurs of high acidity taste. Hot or cold is your choice.

### Batch brew 5 / 7

Coffee brewed by automatic filtration. The same coffee from a jug that you see in American films. Brewed from freshly roasted microlot.

### Gina or V60 10

When geeks create a coffee maker, they get Gina. The same v60 but more convenient. Brewed from freshly roasted microlot. Ask the Barista for the country of grains.

## White

### Flat white 7

Strong double espresso, milk and some foam.  
Perfect balance of strength and milky taste.

### Cappucino 6 / 8

Timeless classics. Lots of dense milk foam and espresso.

### Latte 7 / 9

Very smooth coffee.  
Lots of milk, short espresso and a little milk foam

### Raf 8 / 10

Modern classics, like melted ice cream in your cup.  
Milk, cream, short espresso, sugar vanilla.

## Special

Espresso tonic 8

Espresso, tonic and lemon. Best summer choice!

HUMBLE 10

Orange juice, caramel, espresso and cinnamon. Perfect choice to cheer yourself up after a great party!

When hot, it perfectly warms and fills you with energy, it can be called "coffee gluhwein".

When cold, it quenches thirst and cures headaches.

HICERIN 12

A variation of the classic mocha a native of Piedmont. The combination of coffee, hot chocolate and milk was described by Alexandre Dumas and has been loved for 170 years!

IRISH KISS 15

Soft coffee with Bailey's liquor as a blanket.

GIN TONIC 15

European gin, tonic and little bit sour juice.

## Traditional Chinese tea

### Black tea "Dian hun" (harvest 2019) 8

Classic black tea from Yunnan province.

Fresh harvest gives a special balance of taste. An excellent choice for everyday tea parties: strong, bright and very fragrant. The taste is strong, juicy, sweet, slightly tart, with berry acidity and nuances of spices. The finish is spicy, refreshing.

### Green tea "Chzhungo Luy Cha" 8

Fresh spring tea shoots.

The bouquet of tea is fresh, spicy herbaceous, slightly smoked, with a hazelnut. The aroma is delicate, spicy. The taste is juicy, soft, buttery, with a slight acidity, nuances of spices and a refreshing aftertaste.

### Da hun pao Oolong 8

Tea from the plantation Maydun

The bouquet of tea is warm, bread spicy, with hints of dried fruit and toasted bread crust. The aroma is deep, bread spicy, cold aroma a delicate, fruity biscuit. The taste is soft, buttery, slightly spicy, with a light minerality and a subtle fruity sourness.

### Dark Shu puer 8

Tea from the Jinggu Tea District (Puer County)

A bouquet of ready made tea is ripe, walnut wood with notes of wood resins, bread and baked chestnuts. The aroma is low, thick and warm, nutty. The taste is dense, soft, velvety, with a light woody astringency and resinous acidity in the aftertaste.

### Light Shen puer (harvest spring 2019) 8

A bouquet of ready made tea is lively and bright, spicy balsamic, with mushroom and fruit notes. The taste is juicy, sliding, spicy, sweetish, slightly tart, with a slight acidity. The aroma is calm, spicy balsamic. Juicy, refreshing aftertaste.

An excellent natural energetic with a pleasant, juicy taste and a refreshing, tonic effect.

### Herbal tea Sagan dayla (White wings) 6

Since ancient times, shamans and healers of the Far East, Mongolia and Northeastern foothills of Tibet have used this plant in which the mountain spirit lives as a tonic and medicine for colds, diseases of the stomach and kidneys, edema of cardiac origin and nervous disorders.
